FEDERAL ELECTION

RE: MUR 6916

Dear Frankie Hampton,

Stocker in Congress, FEC # C00549287, has been named in the above referenced complaint. This letter is to request that no action be taken against Stocker in Congress ("committee"), or its' Treasurer, myself, Chuck Banks. And further ask the Committee and the Treasurer be removed and dismissed from the complaint.

This complaint appears to be regarding the operation and use of the NGP VAN and its origin and management. The Committee used the Missouri Democratic Party's Vote Builder, and Nation Builder and chose NOT to subscribe to NGP VAN, and had no involvement directly with NGP VAN other than through the Missouri Democratic Party's Vote Builder where NGP VAN was a third party vender to Vote Builder.

In as much as the Committee, and its' Treasurer had no involvement with NGP VAN, it's operation, management or origin, or any of the others named in the complaint, it should not be penalized for any action taken by NGP VAN or any of the others named in the complaint, to which the Committee had no contact or involvement.

Thank you for your consideration.

Sincerely,

Chuck Banks, Treasurer Stocker in Congress 314-623-2053
